### Footnotes:

(1) The approved hourly rate, or fraction thereof, for services provided by a Department Veterinarian.

(2) The approved hourly rate, or fraction thereof, for services provided by a Department Registered Veterinary Technician.

(3) The approved hourly rate, or fraction thereof, for field services.

(4) “The adoption price of “large other” animals shall be 50% of the purchase price for such animals in the retail market. The retail purchase price shall be established by obtaining the average purchase price from three independent retail sources and calculating the average price. At no time will a “large other” animal be adopted for less than the market price for slaughter unless authorized by the Director.”

(5) “The adoption price of “small other” animals shall be 50% of the purchase price for such animals in the retail pet market. The retail purchase price shall be established by obtaining the average purchase price from three independent retail sources and calculating the average price. At no time will a “small other” animal be adopted for less than \$10 unless authorized by the Director.”
